

# LENTER ATLAS S10

## Specifications Sheet

Taking over from the discontinued utility bakkies in South Africa

The Nissan NP200 and Chev Utility are gone. We didn't just replace them; we upgraded them. Built on a legendary Bolero ladder-frame chassis, this is the first small-footprint utility vehicle designed for extended commercial lifecycles exceeding typical half-tonners..

## THE COMPETITIVE EDGE

Feature	Atlas S10 (Bolero Based)	Advantage Over NP200
<b>Engine</b>	2.5L NEF Turbo-Diesel	Industrial-grade torque & durability
<b>Power Output</b>	74 kW @ 3800 rpm	Higher power for heavy hauling
<b>Max Torque</b>	238 Nm @ 1800 rpm	<b>+110 Nm</b> more than NP200 petrol
<b>Targeted Payload</b>	1,100 kg	<b>+300 kg</b> (True 1.1-ton rating)
<b>Towing (Braked)</b>	750 kg	Stable towing on a steel frame
<b>Turning Radius</b>	Target: 10.5 m	<b>Superior urban agility</b> (NP200: 11.25m)
<b>Fuel Tech</b>	Atlas Modernized ECU Map	<b>Savings:</b> Lower TCO over 100,000km.
<b>Safety</b>	Disc-Drum brakes with Anti-Roll Bar	
<b>Load Bed</b>	Low-Profile (Custom)	<b>Ergonomics:</b> Easier manual loading/unloading.
<b>Chassis</b>	Full Ladder-Frame	<b>Longevity:</b> Atlas lasts 2x longer in work conditions.

### 1. Dimensions & Design (The "In-Between" Profile)

- Overall Length:** ~4,925mm (425 mm longer than an NP200).
- Wheelbase:** 3,014 mm - 3,150 mm
- Low-Load Bed:** The Atlas modification lowers the factory loading sill (originally higher for 4x4 clearance)
- Ground Clearance:** Adjusted to a "city-optimal" height

### 2. Total Ownership Costs & Modernization

- Fuel Efficiency:** While the stock Bolero averages ~7.0L - 9.5L/100km, the Atlas S10 modernization includes **ECU remapping** for low-end efficiency and low-rolling-resistance tires to compete with the NP200's ~8.1L/100km.
- Reparability:** The 2.5L NEF engine is purely mechanical and "easy to maintain".
- Refurbishment Standard:** Every S10 undergoes a full interior and exterior modernization

### 3. Pricing & Value Proposition (Atlas S10 offers double the payload )

- Estimated Atlas S10 Price:** **R245,000 – R299,900** (depending on final spec).
- Market Comparison:** A late-model used Nissan NP200 (2022/2023) currently sells for **R215,000 – R269,000** but only offers an 800kg payload and less durability for heavy-duty commercial use.

*The Atlas S10 is the only vehicle that gives you the agility of a half-tonner with the 1.1-ton industrial backbone of a full-size truck. You aren't buying a small car with a bed; you're buying a professional tool designed to outlast and outwork every NP200 on the road.*

## Industrial Grade Half-Tonner.

The **S10** has the size and maneuverability of an NP200 but the soul and strength of a 1-ton truck.

Technical data	Atlas S10 (Bolero Based)
<b>Engine type</b>	NEFTCI Turbo Diesel
<b>Displacement</b>	4 cylinder / 2498 cc
<b>Power rating</b>	74 kW @ 3800 r/min
<b>Torque rating</b>	238 Nm @ 1800 r/min
<b>Gearbox type</b>	5 speed manual
<b>Brake type</b>	Hydraulic with Vacuum Assisted Servo. Front: Disc and caliper. Rear: Drum. Parking: Rear wheels cable operated
<b>Wheels and tyres</b>	P235/75 R15 6J x 15" steel rims
<b>Suspension (front)</b>	Independent torsion bar with stabilizer bar and hydraulic shock absorber
<b>Suspension (rear)</b>	Progressive leaf spring with hydraulic shock absorber
<b>Fuel tank capacity</b>	56 litres
<b>Turning circle radius</b>	Target 10.5 m
<b>GCM</b>	3 550 kg
<b>GVW</b>	2 800 kg
<b>Tare</b>	1 775 kg 2WD / 1 875 kg 4WD
<b>Payload</b>	1 100 kg
<b>Towing capacity</b>	750 kg
<b>Overall length</b>	4 924 mm
<b>Overall width</b>	1 815 mm

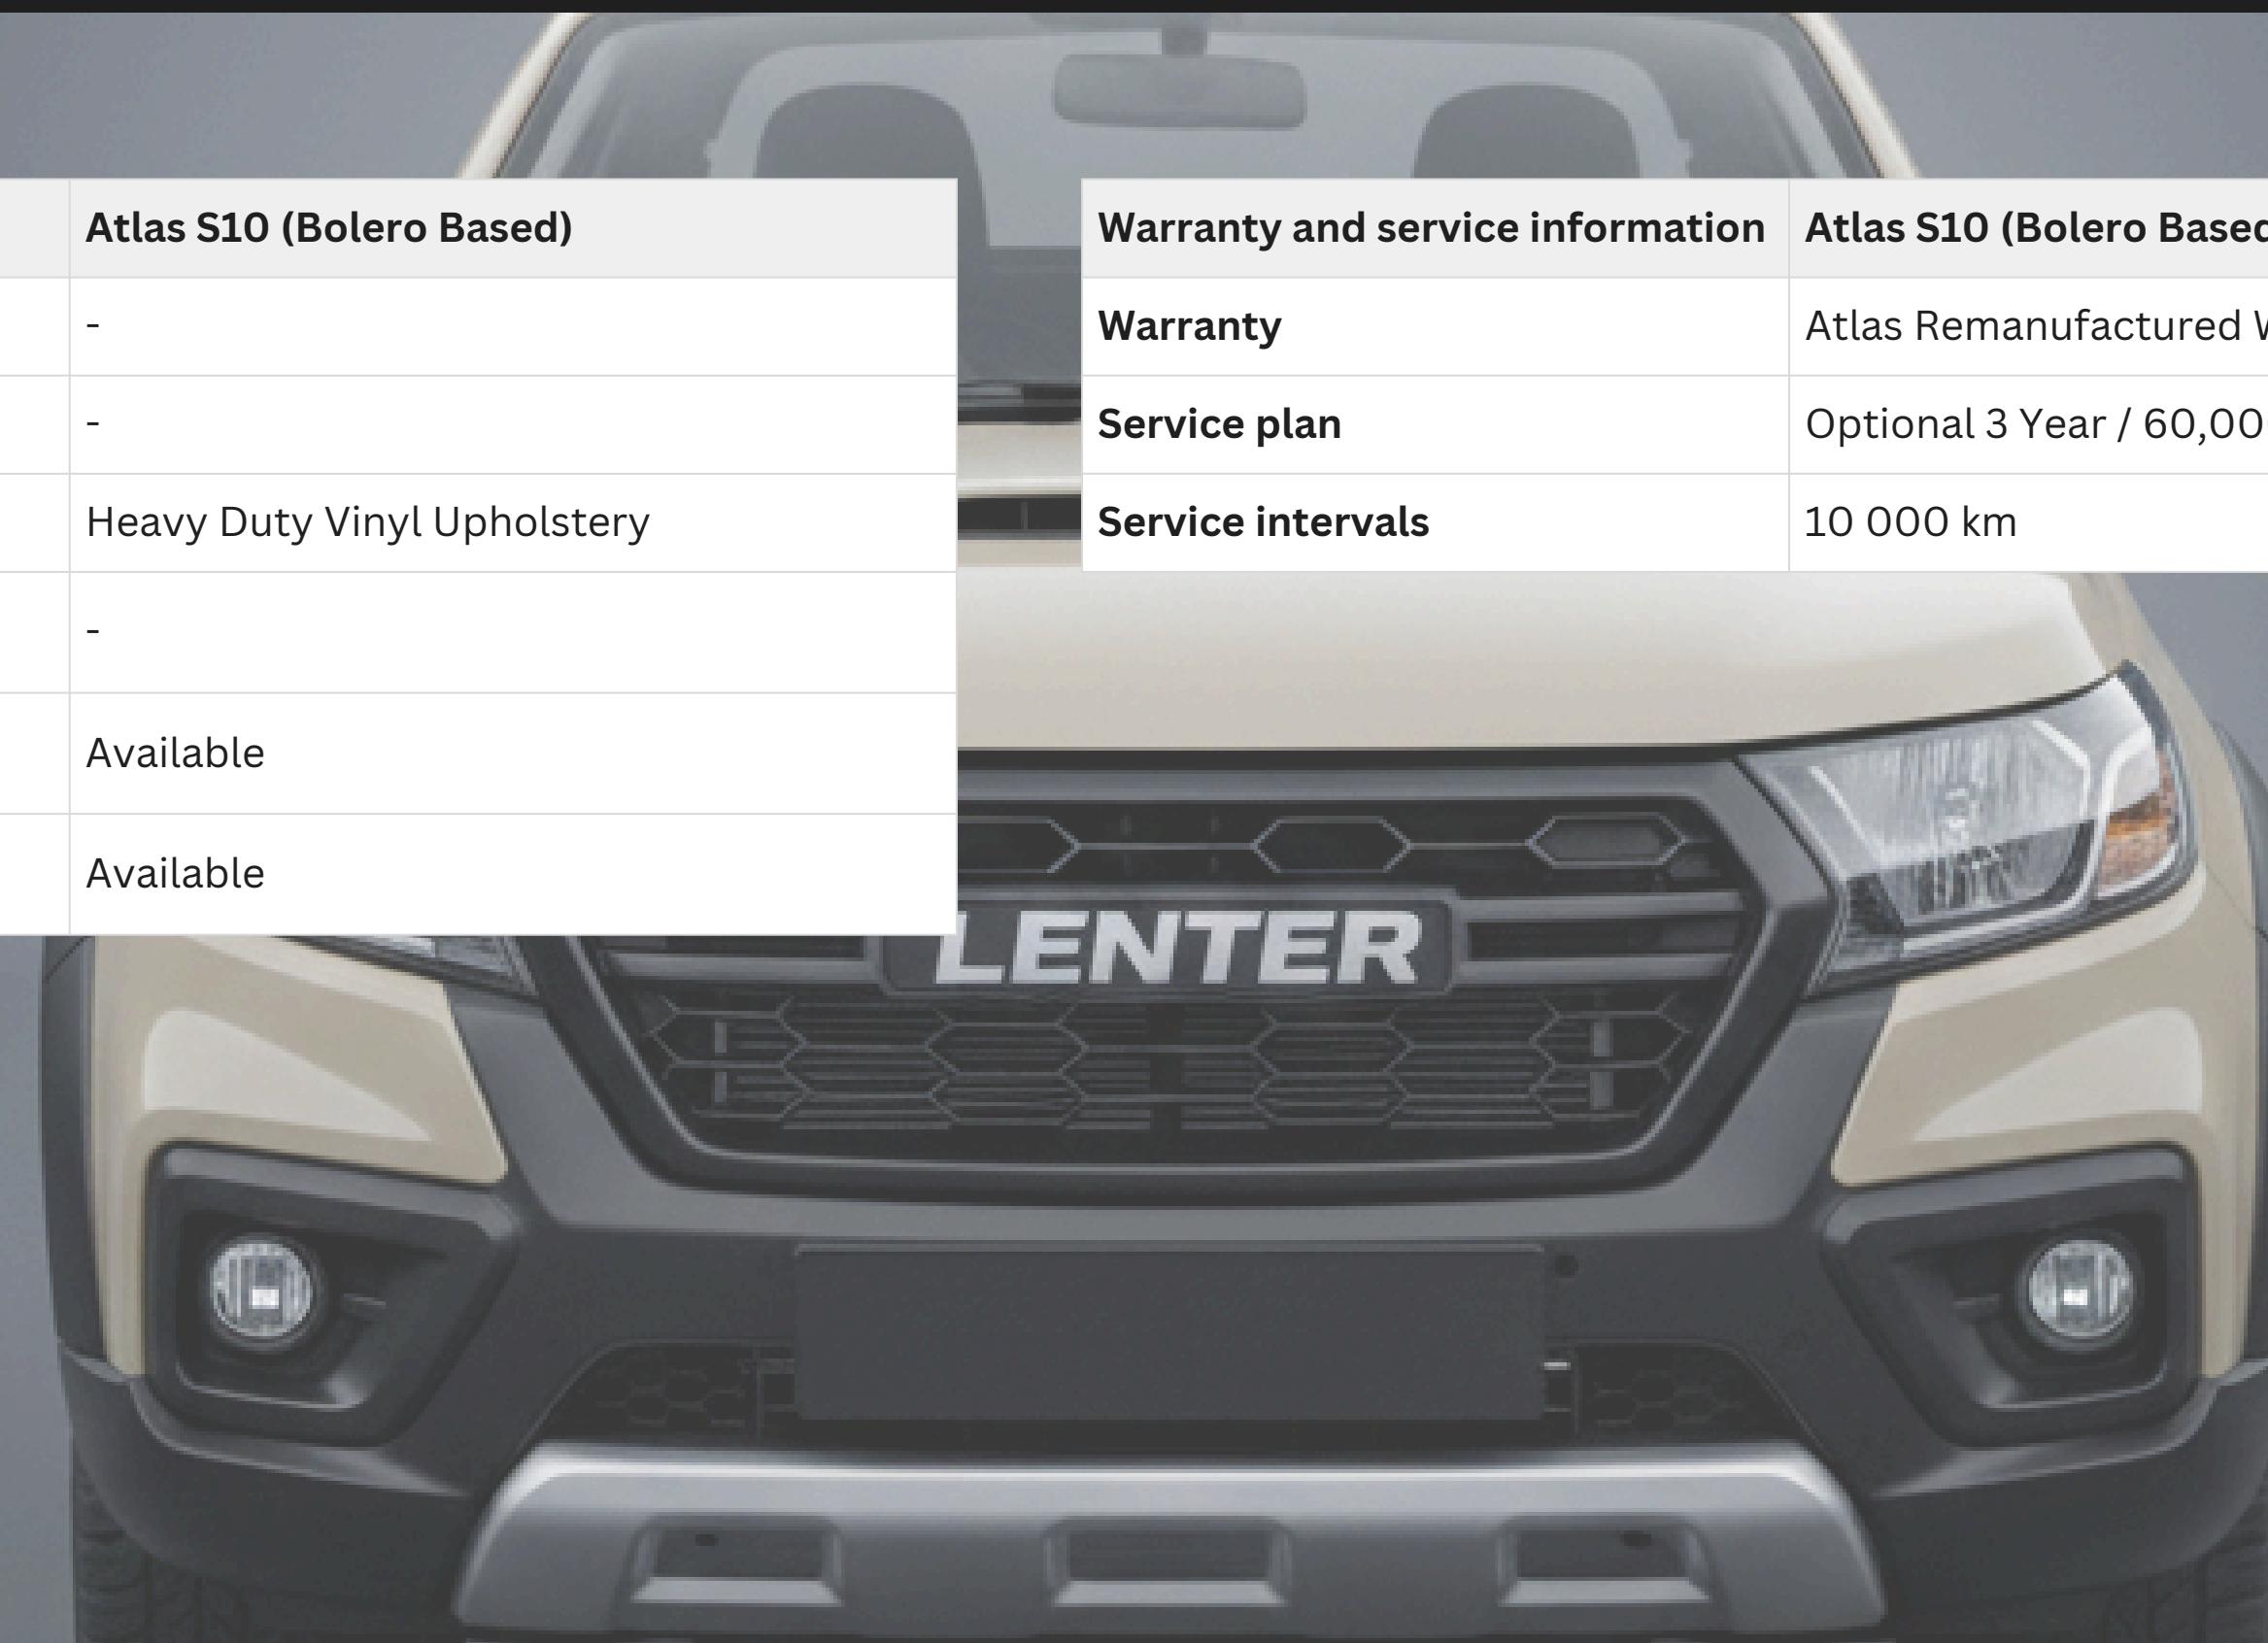

Technical data	Atlas S10 (Bolero Based)
<b>Overall height</b>	1 885 mm
<b>Wheel base</b>	3 014 mm
<b>Ground clearance</b>	200 mm
<b>Load box capacity (LxWxH)</b>	2,260 mm x 1,530 mm x [450 - 500 mm]
<b>Fuel consumption: Combined cycle</b>	Targeting 7.9L/100km (Atlas Optimized Map vs. 9.5L Stock). Actual consumption depends on load and driving style.

**This vehicle is engineered to be repaired anywhere in South Africa using existing parts and skills.**

Features	Atlas S10 (Bolero Based)
Air conditioning and heater	-
Power steering	-
Seats	Heavy Duty Vinyl Upholstery
Colour coded bumpers	-
Front headrests	Available
Spare tyre	Available

Warranty and service information	Atlas S10 (Bolero Based)
Warranty	Atlas Remanufactured Warranty
Service plan	Optional 3 Year / 60,000km
Service intervals	10 000 km
